  2. Fill out registration app on the website
  3. You will be contacted to schedule a video chat to learn more, ask questions and pay for camp
  4. Attend camp & graduate to awesomeness

## What people have to say about camp:

*"I knew a little bit about camp and had high expectations. Those expectations were blown out of the water and more than exceeded. I am now more open to the ideas of others and gaining knowledge and understanding. I learned about myself and the other delegates and what a leader is." –Youth Attendee*

*"I will never be the same person I was before I came here." –Youth Attendee*

*"I understand now the value of each and every person and how to utilize that unique value to make a diverse group triumph. In short, I'm a new me." –Youth Attendee*

*"The staff and the ideas behind this camp will have a lasting impression on the kids that attend for a lifetime. I know that when my two boys came home they could not say enough about what they learned about themselves and about the kids they were fortunate enough to meet." –Parent*

*Hurry up! Registration ends May 30<sup>th</sup>!*
